1. Introduction

This guide outlines a detailed process for using the add-on access cards. Discover the process for requesting a new card and register them for each unit. Learn how to activate and deactivate access cards and fix registration difficulties. Learn the security methods that protect access card data. This tutorial explains how to add access cards. Request a fresh card to register access cards for each unit.

2. Card Access

Residents and approved workers can use a card for condominium entry to get into the building or certain areas. You can use these card accesses instead of keys or fobs, making things easier, safer, and easier to monitor. Card access systems can limit access to lifts, parking lots, and other restricted areas, granting entry only to those who have received approval. Many places use security methods like tracking records and limiting entry based on time.

2.1 Add New Card Access

Go to [Card Access](#) > [New Card Access](#) > [Fill in details](#) > [Add](#)

The screenshot shows the PROPERVA software interface. On the left is a sidebar with navigation icons and labels: PROPERVA, Security Monitor (99+), Customer Account C-9-8/1, Cash Book (0.00), General Ledger, Financial Reports, Properties, Suppliers, and Settings (with sub-items: IoT Devices, Approvals, Automation, Auto Payments). The main content area is titled 'Card Access > Approved' and shows a table of card access records. The table has columns: No., Approved, Unit, Card Holder, Card Type, Expiry Date, Vehicle Plate Recognition, and Vehicle. The records list units C-9-8 through C-8-8, all with 'Resident - Block C' card types and an expiry date of 10-Apr-2035. A dropdown menu is open on the right side of the interface, listing various system features: Invoicing, Visitors, Facility Bookings, Announcements, Suggestions, Incident Reports, Emergency Numbers, Sub-Users, Card Access (highlighted with a red box), Face Recognition Access, Vehicle Plate Recognition Access, Integrated Smart Access, Contractor Service Permits, Poserva, and Community Marketplace. At the bottom right, there is a status bar showing 'RM 0.00 / RM 0.00 / Month Active'.
