

Customer Account

1. Introduction

This guide provides a comprehensive procedure for optimising and improving property management operations using the VYROX VIP Smart Integrated Property Management System, which was developed by VYROX INTERNATIONAL SDN BHD. VYROX VIP is a comprehensive suite of tools that is specifically designed for property managers, building administrators, and facility operators to effectively manage various property administration-related tasks.

2. Customer Account

The VYROX VIP platform provides a secure customer account system for property administration, allowing users to efficiently update profiles, manage invoicing, monitor visitors, and handle maintenance requests. Users are accountable for the precision and backup of their data. The platform strictly enforces utilisation terms, which include the prohibition of unauthorised software distribution and the restriction of commercial use. In general, VYROX VIP client accounts streamline and safeguard property administration for both residents and managers.

2.1 Create Customer Account

Go to **Customer Account > New Customer Account > Fill in details > Add**

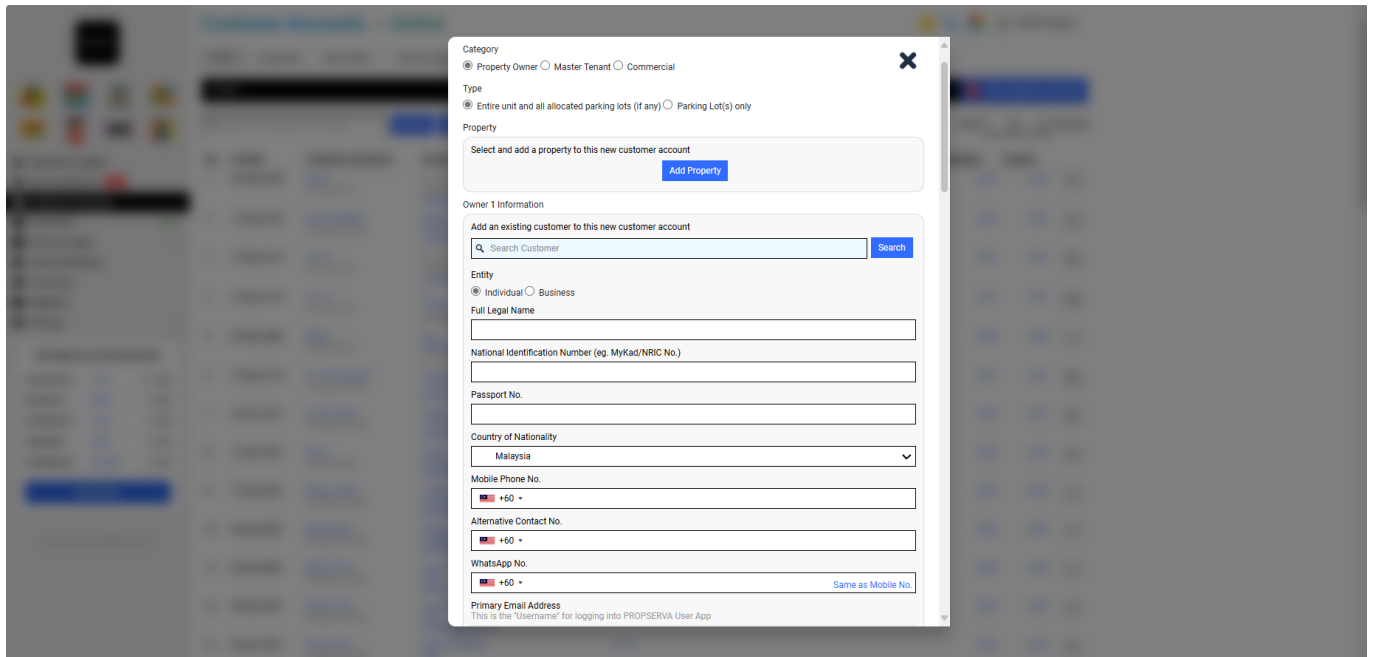

The screenshot displays the 'Customer Accounts > Active' page. On the left is a navigation sidebar with options like 'Operation Insights', 'Security Monitor', 'Customer Accounts', 'Cash Book', 'General Ledger', 'Financial Reports', 'Properties', 'Suppliers', and 'Settings'. The main area shows a table of active accounts with columns for No., Created, Customer Account ID, Primary Contact, Property No., Parking Lot No., Subscribed Membership Plan, Outstanding, and Overdue. A red box highlights the '+ New Customer Account' button in the top right corner of the main area.
