

Management User Guide: Facility Management Booking System

1. Introduction

This guide will walk you through the steps to effectively add and manage facilities on your platform. With an intuitive design inspired by best-in-class user interfaces, managing your facilities has never been easier.

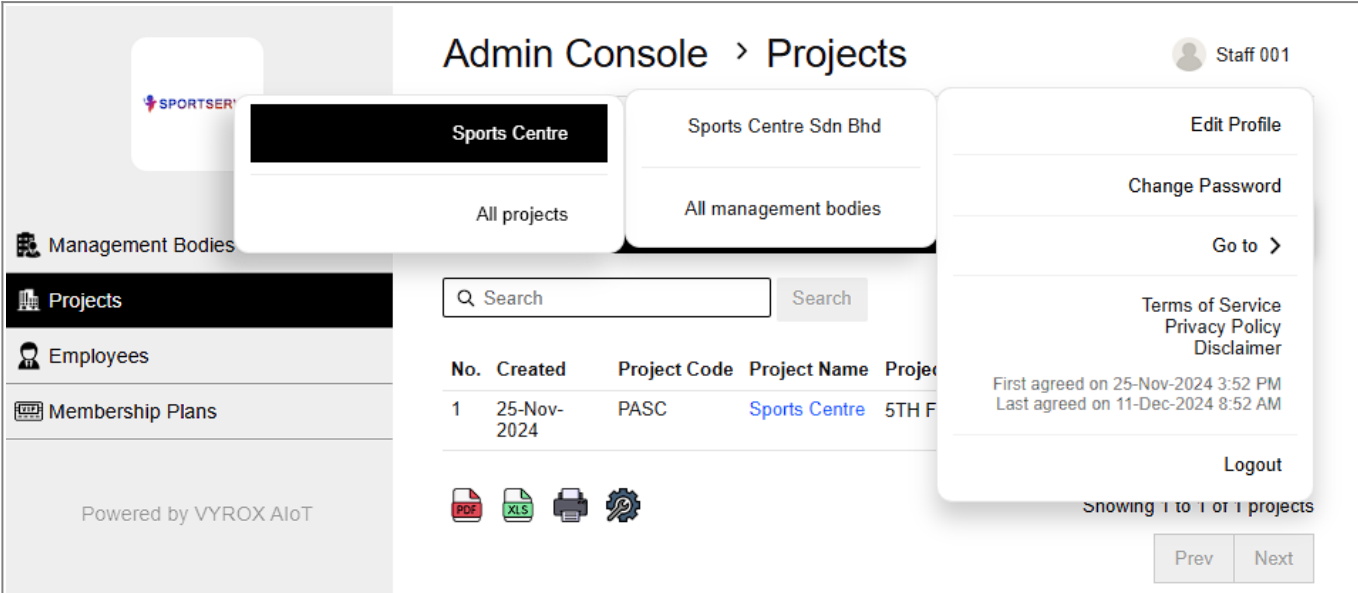

2. Configure Facility and Facility Type

This step helps you access the central hub for managing your facilities. The dashboard provides an overview of all facilities and tools to manage them efficiently.

2.1. Access the Facility Management Dashboard

At the top-right corner of the webpage, Go to the **profile icon > Go to > SPORTS CENTRE SDN.BHD. > Sports Center**

This brings you to the facility management dashboard.

The screenshot shows the 'Admin Console > Projects' page for 'Sports Centre Sdn Bhd'. The page features a left-hand navigation menu with options: Management Bodies, Projects (selected), Employees, and Membership Plans. The main content area displays a table of projects with columns: No., Created, Project Code, Project Name, and Project. A search bar is located above the table. A user profile dropdown menu is open on the right, showing options: Edit Profile, Change Password, Go to >, Terms of Service, Privacy Policy, Disclaimer, and Logout. The table contains one project entry: No. 1, Created 25-Nov-2024, Project Code PASC, Project Name Sports Centre, and Project 5TH F. At the bottom, there are icons for PDF, XLS, Print, and Settings, and a footer indicating 'Powered by VYROX AIoT'.

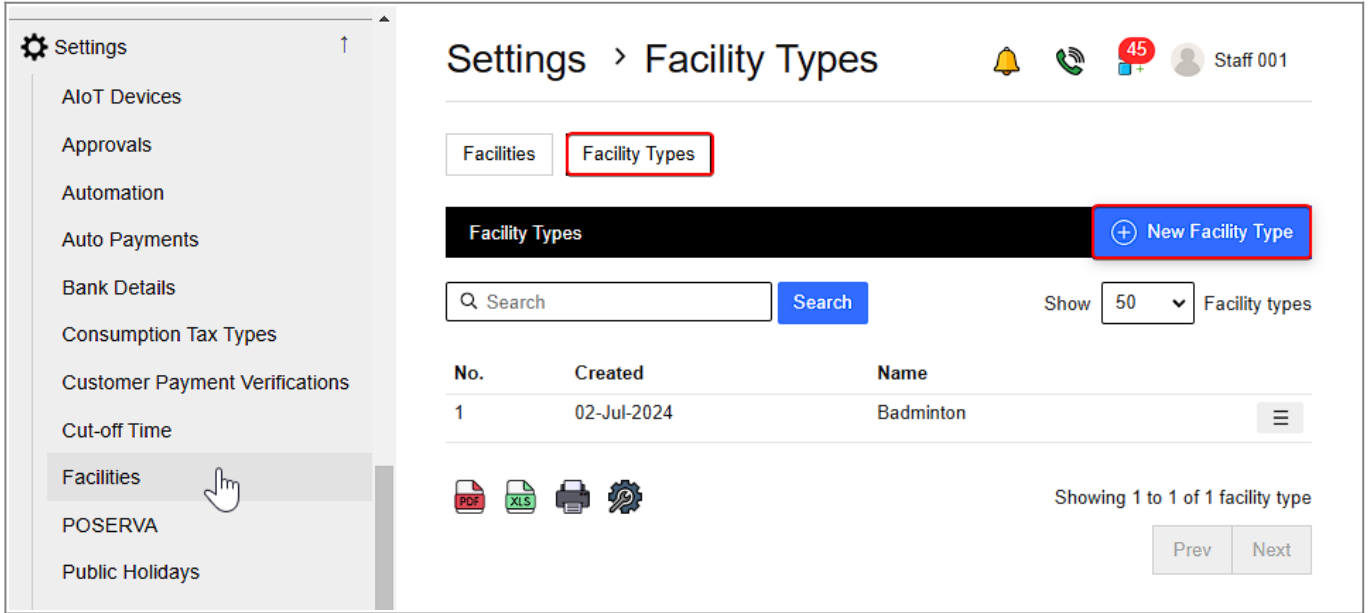

No.	Created	Project Code	Project Name	Project
1	25-Nov-2024	PASC	Sports Centre	5TH F

2.2. Configure Facility Types

On the left-side menu, go to **Settings > Facilities**.

At the top of the page go to **Facility Types > New Facility Type**, enter the facility type name and customizations

This feature allows you to categorize your facilities (e.g., meeting rooms, gyms, pools) to streamline management and user selection.

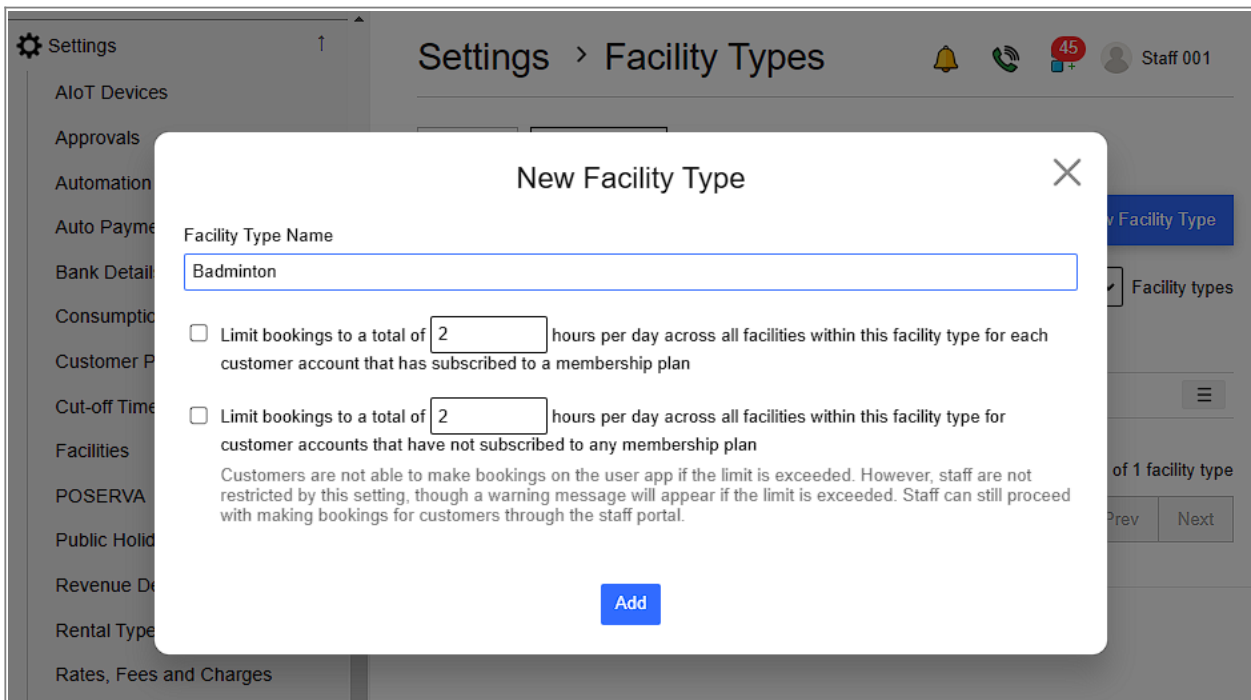

Booking Limit Policy :

- Limit daily bookings to a set number of hours across all facilities within the facility type for **Customers With Membership Plan:**
- Limit daily bookings to a different set number of hours across all facilities within the facility type for **Customers Without Membership Plan:**

This means Customers cannot make further bookings through the user app once the limit is exceeded. However, Staff are not restricted by these booking limits when processing customer bookings through the staff portal. If a customer exceeds the daily limit, a warning message will appear, but staff can still proceed with the booking.

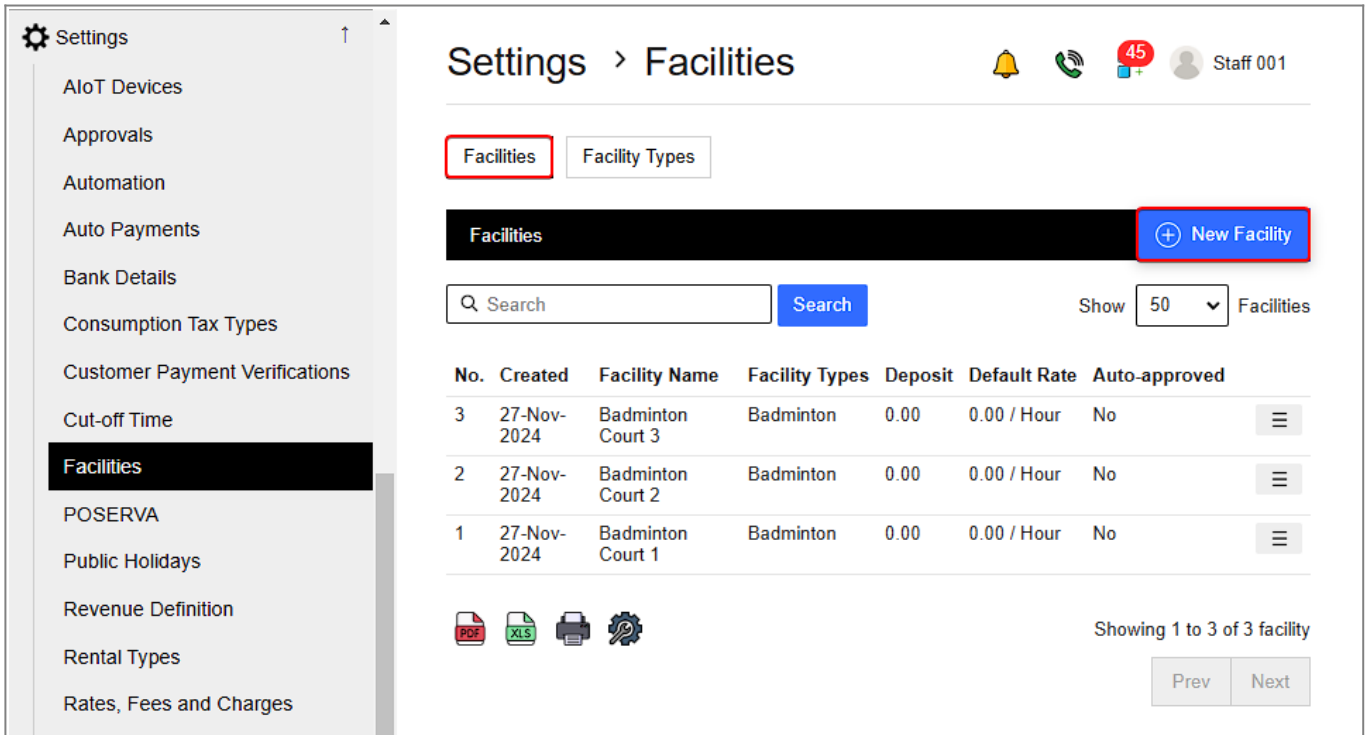

When done click **Add** to save it.

2.3. Add New Facilities

This feature enables you to add new facilities to the platform for user bookings.

Return to **Facilities > New Facility**.

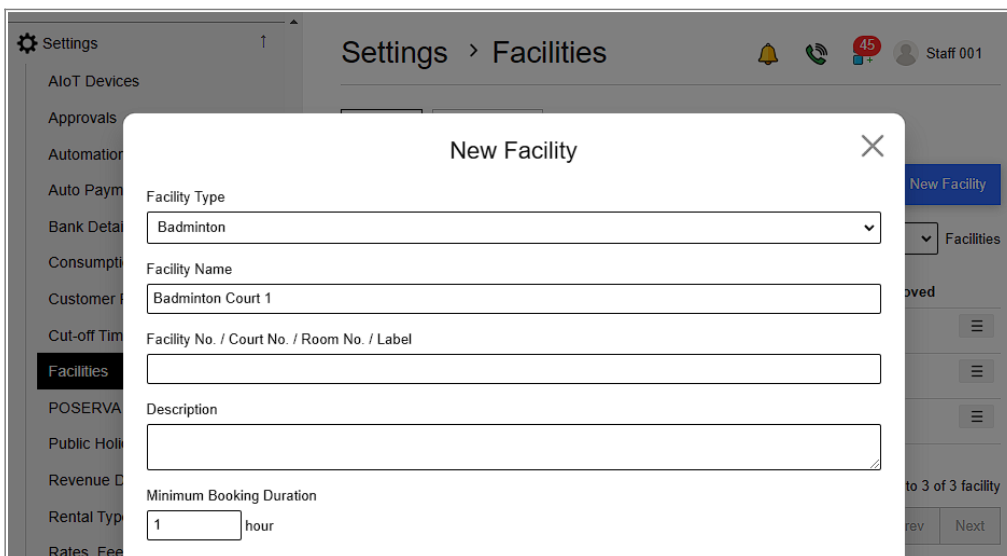

2.4. Fill in Details for Adding New Facilities

Complete the required fields for the new facility This allows you to categorize the facility based on its intended use (e.g., meeting room, gym).

2.4.1. Select **Facility Type** (e.g., badminton court, gym, pool).

2.4.2. Enter Facility Details such as **Name, Number, and a Description**.

2.4.3. Specify the **Minimum Booking Duration** (e.g., 1 hour, 30 minutes).

2.5. Set Facility Availability and Operating Times

- Management can define the days (e.g., Monday to Friday) and operating hours for the facility's availability.

2.8.: Standard & Member Booking Windows

2.8.1. Set **Standard Booking Window**

- Define the minimum and maximum days customers can book in advance.
- Alternatively, set a specific start and end date for bookings.
- Staff can override this restriction to make bookings on behalf of customers.

2.8.2. Set **Member Booking Window**

- This setting limits customers’ ability to make bookings themselves on the user app, but it does not affect staff.
- Staff can make bookings without being restricted by the booking window.

2.9. Customize Booking Rules and Access Restrictions

2.9.1. Set **Conditional Booking Window**

- If today’s date is earlier than a specific date in the current month, the maximum booking window is the last day of the current month.
- Otherwise, the window extends to the next month.

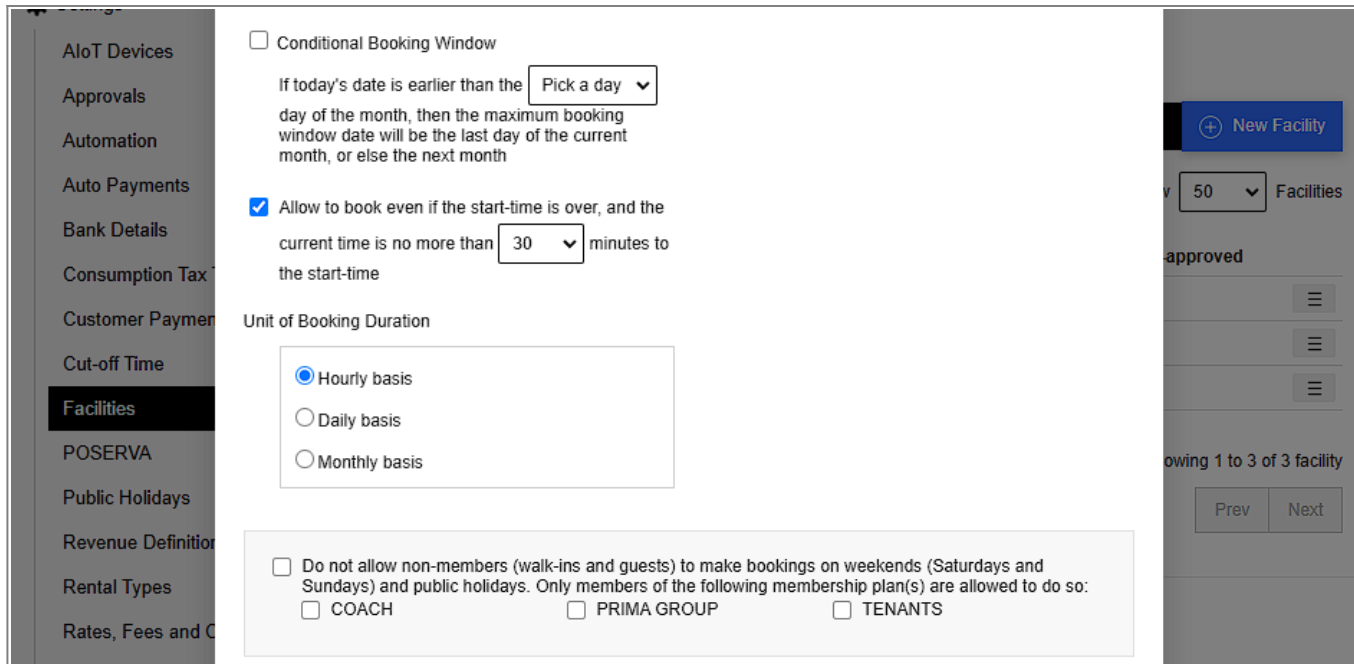

2.9.2. Allow **Late Bookings**

- Management can permit bookings to be made after the scheduled start time if the current time is within a specified number of minutes past the start time.

2.9.3. Set **Unit of Booking Duration** (e.g. Hourly, daily, or monthly)

2.9.4. **Restrict Non-Members on Weekends and Holidays**

- Management can restrict bookings on weekends (Saturday and Sunday) and public holidays to specific membership plans.
- Non-members, walk-ins, and guests will not be allowed to make bookings during these times.

2.10. Payment Plans

Select **Payment Plans** from three different payment plans:

2.10.1. Default Plan

- Payment applies for the entire day for all days (12:00 AM to 12:00 AM).

2.10.2. Customized Hourly Rate

- Set per-hour rates that override the default rate.
- Configure rates based on the type of day (e.g., Monday to Sunday, weekend, public holiday).
- Specify activation timing for payments (e.g., from 8:00 AM to 8:00 PM).

2.10.3. Membership-Specific Rates

- Define special payment plans exclusively for members of specific membership plans.

Once finish customization , click **Add** to save it.

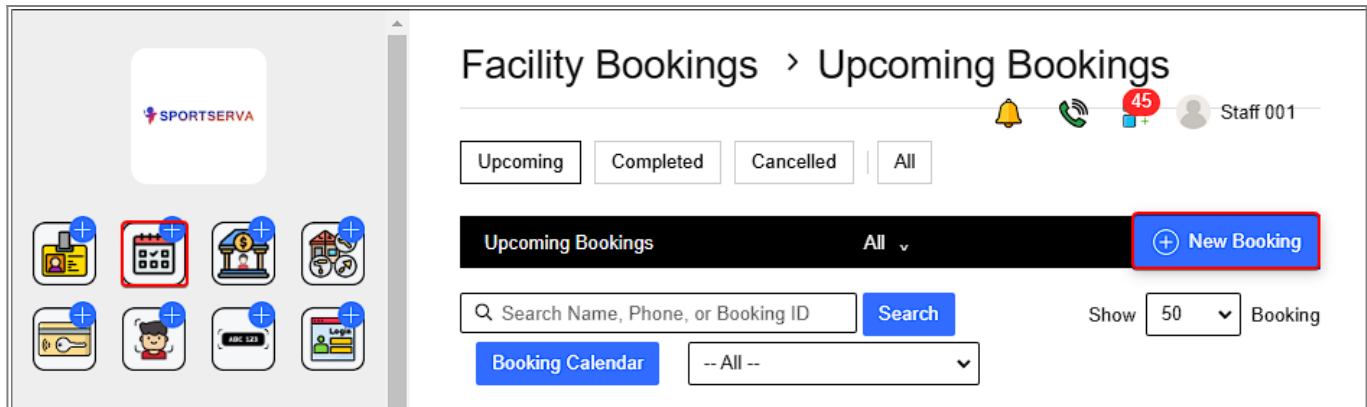

3. Manage Booking Slot

This guide is designed to help management assist walk-in customers with ease and confidence. Follow these simple steps to handle facility bookings efficiently.

3.1. Make Booking

3.1.1. Start new booking

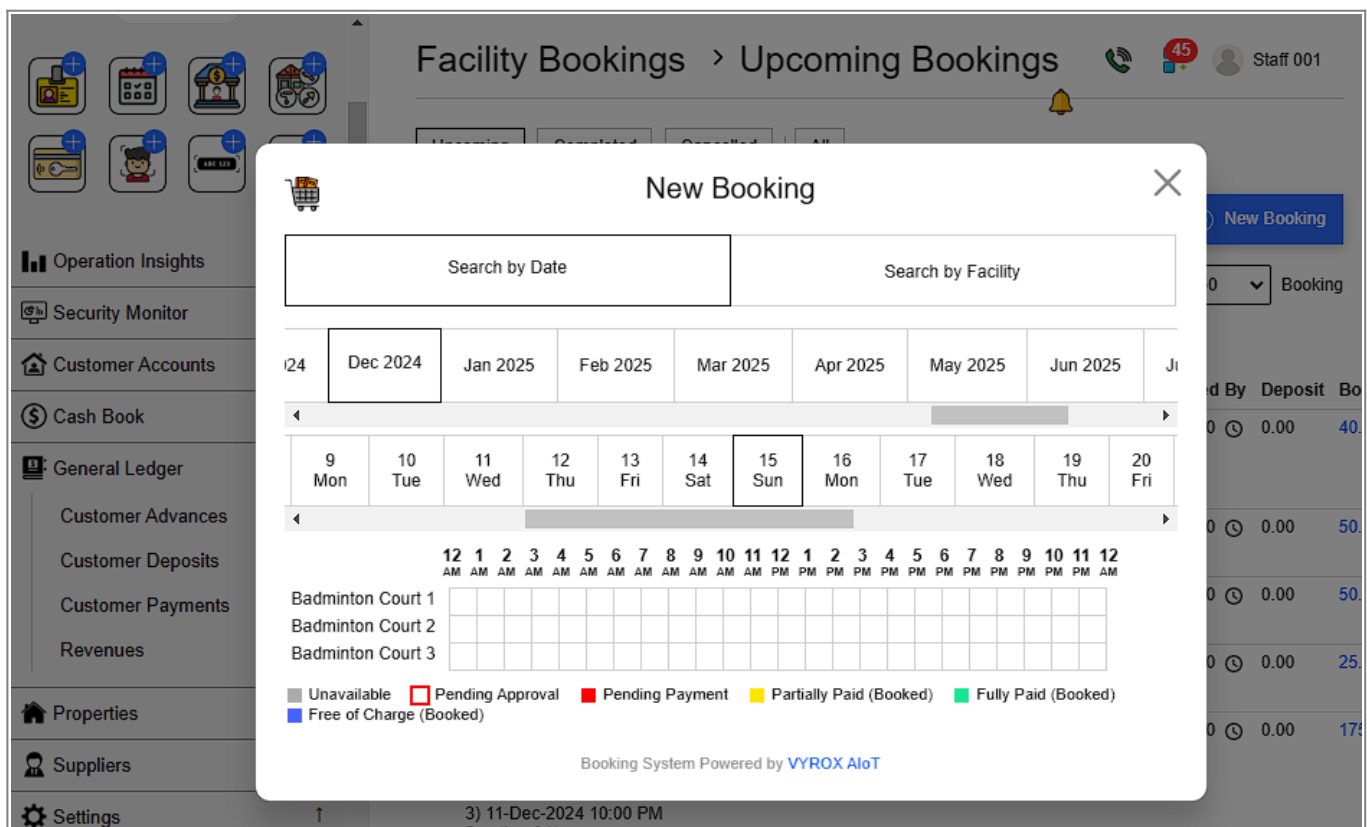

- Select **Facility Bookings > New Bookings**.

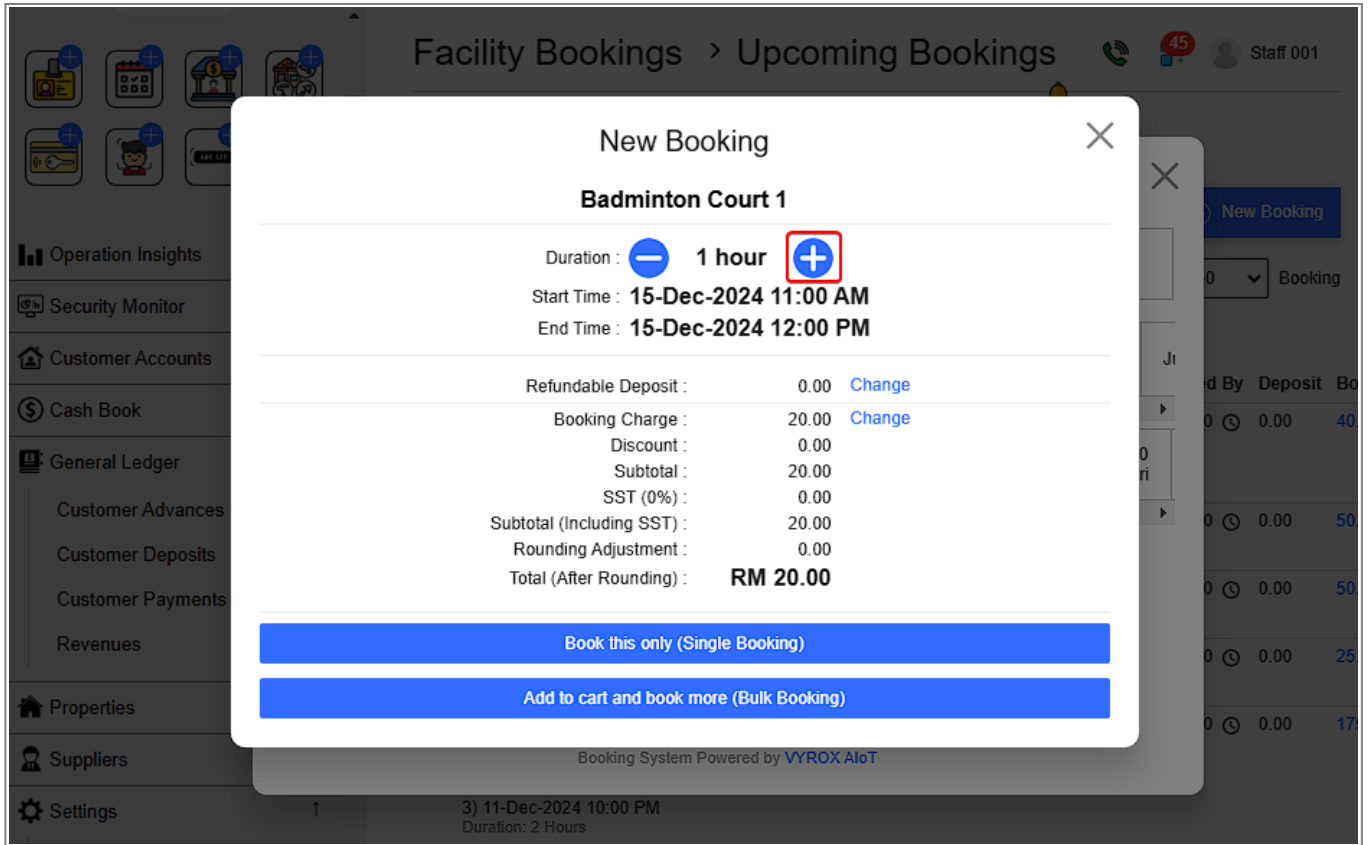

3.1.2. Search and Select Booking Slot

Booking slots can be searched by date or facility.

To book, click on the desired slot. The slots availability are color-coded.

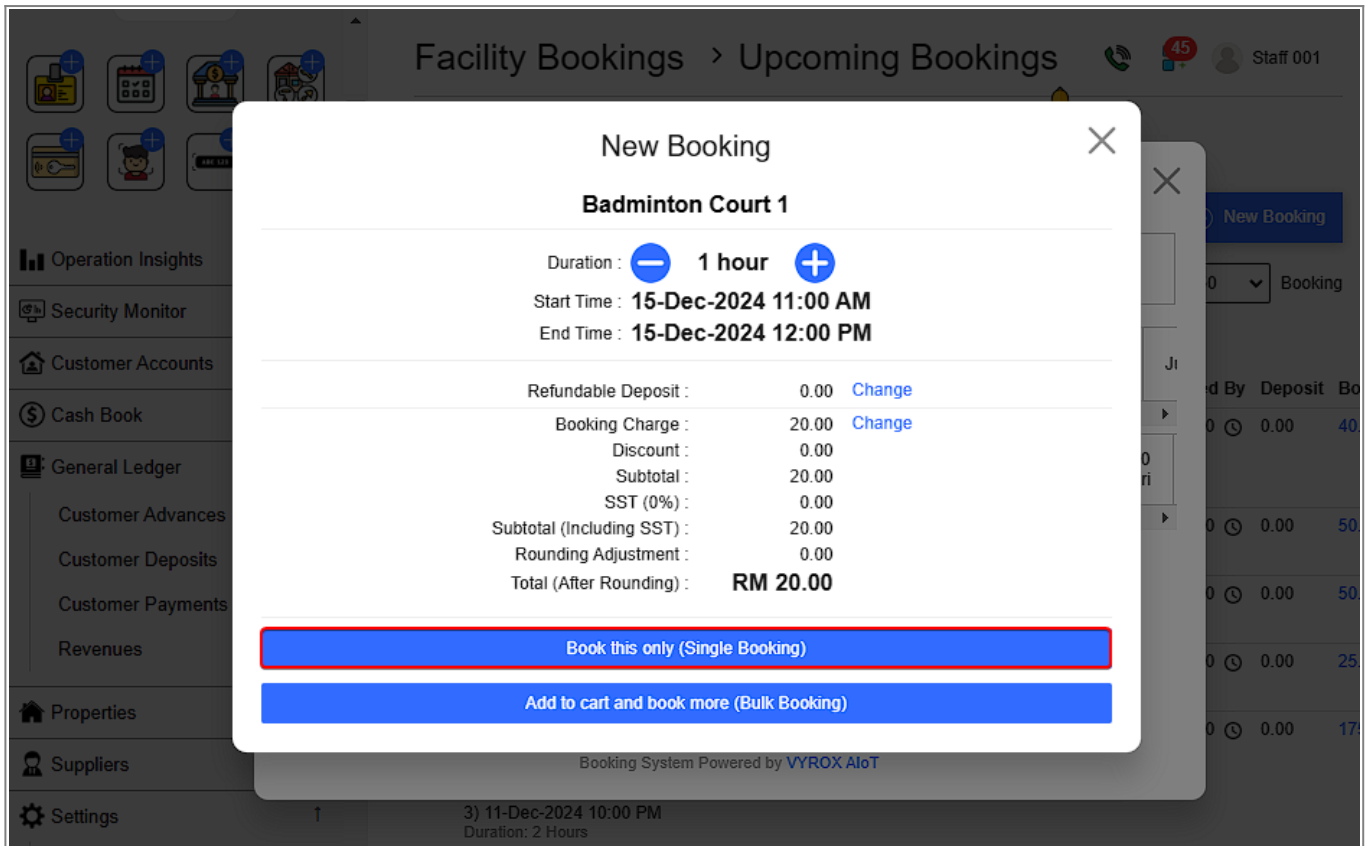

To increase booking hours , click the **plus** sign.

3.1.3. Single & Bulk Booking

For Single Booking

- Click **Book This Only (Single Booking)** .

Handle customer details:

Existing Customer:

- Search by name or select a customer based on their category.

New Customer:

- Enter the customer's name and mobile number.
- (Optional) Add alternative contact info or remarks.

Note: The timing of invoice termination, coupled with the corresponding customer payment status, can lead to three potential outcomes: Cancelled Invoices, Voided Invoices, and Reversed Invoices. These scenarios arise when a customer rejects an invoice, requests cancellation with reasons subsequently sanctioned by the management, or when the management initiates cancellation with provided justifications.

To update the cash book and reflect the refund:

Navigate to **Facility Booking > Cancelled > Request Refund > Confirm Request > Refund > Confirm Refund.**

The screenshot displays the 'Facility Bookings > Cancelled Bookings' page. A modal window titled 'Requesting Refund for 1 Item' is open, showing a table with the following data:

Issued	Document No.	Transaction Code	Invoice	Outstanding
07-Dec-2024	OR00000004	FB2	PAYMENT FOR FACILITY BOOKING INVOICE IV00000028 Booking ID: HGHE3	25.00

Below the table, the amount 'RM 25.00' is displayed, and a 'Confirm Request' button is visible.

The background shows a list of cancelled bookings. One entry is highlighted with a 'Request Refund' button:

No.	Issued	Document No.	Transaction Code	Item	Staff	Payment	Outstanding	Remark
9	09-Dec-2024 8:00 AM Duration: 1 hour	PASC-26	HGHE3 Badminton Court 1 Cancelled by the management	Name +60123	Staff 001	0.00	25.00	Request Refund

Another modal window titled 'Making Refund Payment for 1 Item' is also shown, with the following data:

No.	Issued	Document No.	Transaction Code	Item	Payment
1	09-Dec-2024	RN00000005	FB3	CANCEL FACILITY BOOKING Booking ID: AG5CT	25.00

The amount 'RM 25.00' is displayed. Below the table, there are dropdown menus for 'e-Wallet' (selected), 'Touch 'n Go', and 'Reference'. An 'Upload Proof of Payment' link and a 'Remark' text area are also present. A 'Confirm Refund' button is at the bottom.

Once completed, the cash book will be updated to reflect the correct amount.
