I'm much against healthcare reform but I'm solidly for solving the correct problem. Terrifying don't think we're intending to do which experts claim. Einstein said, "You can't solve a problem with 頭痛 the same level of thinking that got you into them." I think we need new thinking, not just change. I made the choice we really should Go Green in 2010 and recycle Congress!

As I mentioned in my last blog, I am a chronic pain patient as well as a therapist. We had arrived diagnosed with Multiple Sclerosis in the early nineties. Prior to my diagnosis, even I was told exercises, diet tips "all inside of my head" by my medical practioner. Guess what? Has been created. I had lesions with a nerves in my brain. After a very satisfying moment of firing that doctor, I set in order to find a person that knew what pain was and the right way to treat the house. It took me several more years, even so found the female. As patients become more educated and empowered, the healthcare industry is going to need to keep together with us - even individuals with chronic pain.
