

# Membership & Membership Price

## 1. Introduction

This guide is designed to help you seamlessly manage memberships and set pricing for your facility booking system. With a user-friendly approach, you'll find it simple to handle member accounts, subscriptions, and billing efficiently, ensuring a smooth experience for both management and customers.

## 2. Membership Management

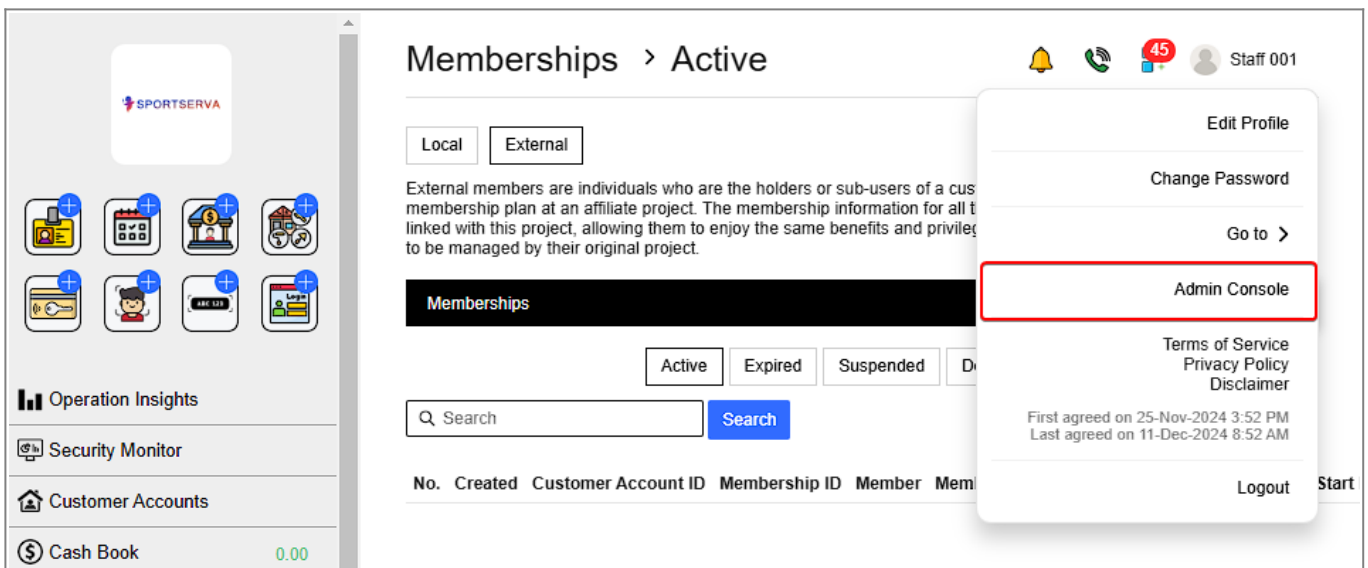

This section provides tools and insights to manage memberships effectively. From account setup to subscription management, you'll have everything you need at your fingertips.

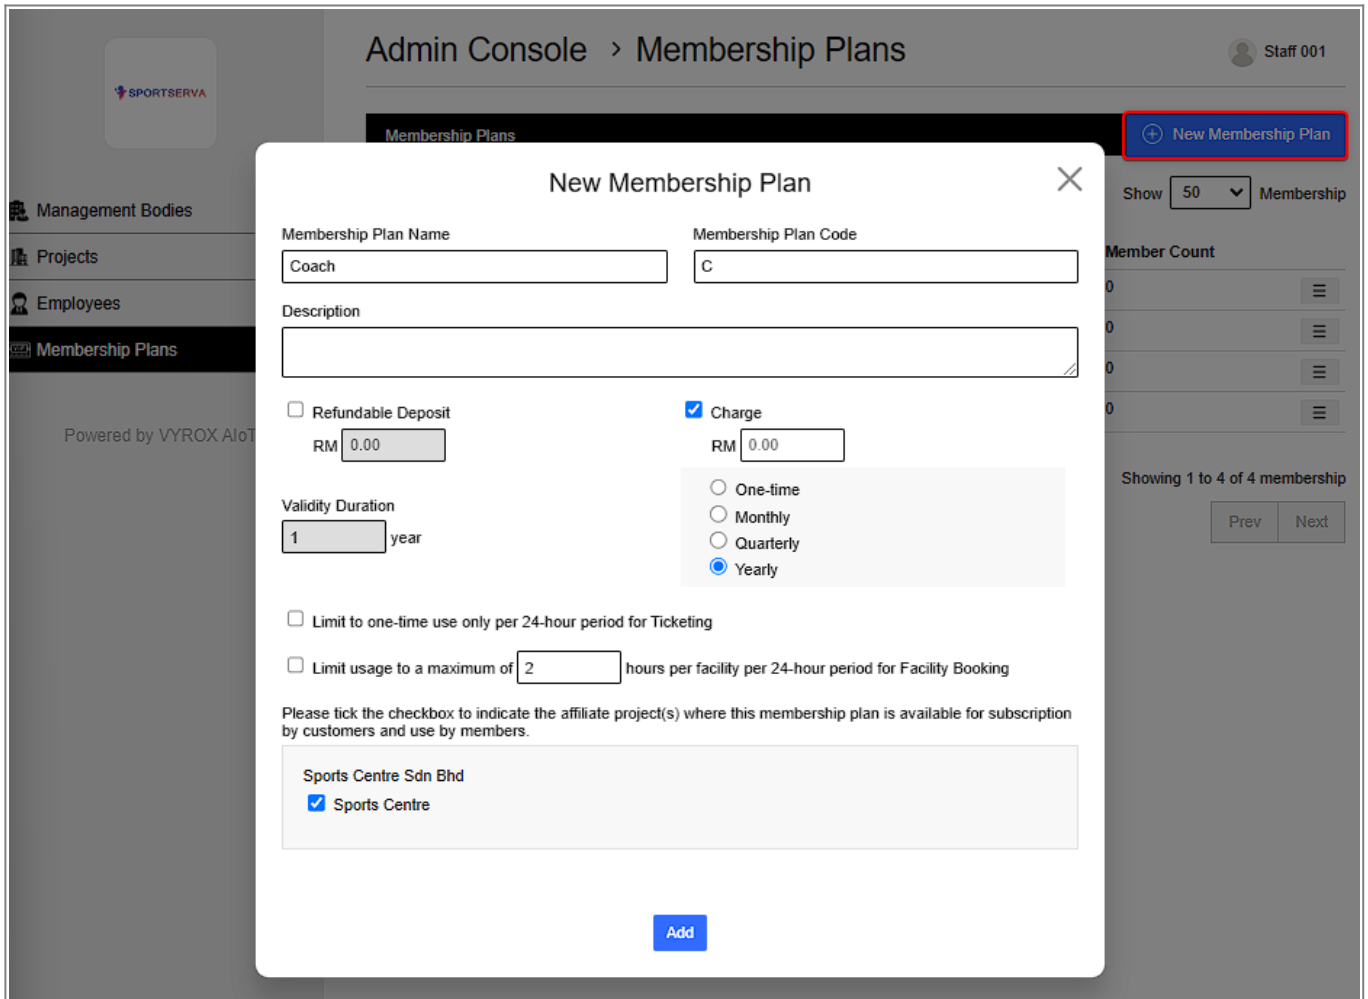

### 2.1. Add Membership Plan

Go to **Profile > Admin Console > Membership Plans > New Membership Plan**

Fill in details such as Membership Plan Name, Plan code and select charging rate, refundable deposit, validity duration and projects affiliated. The membership can

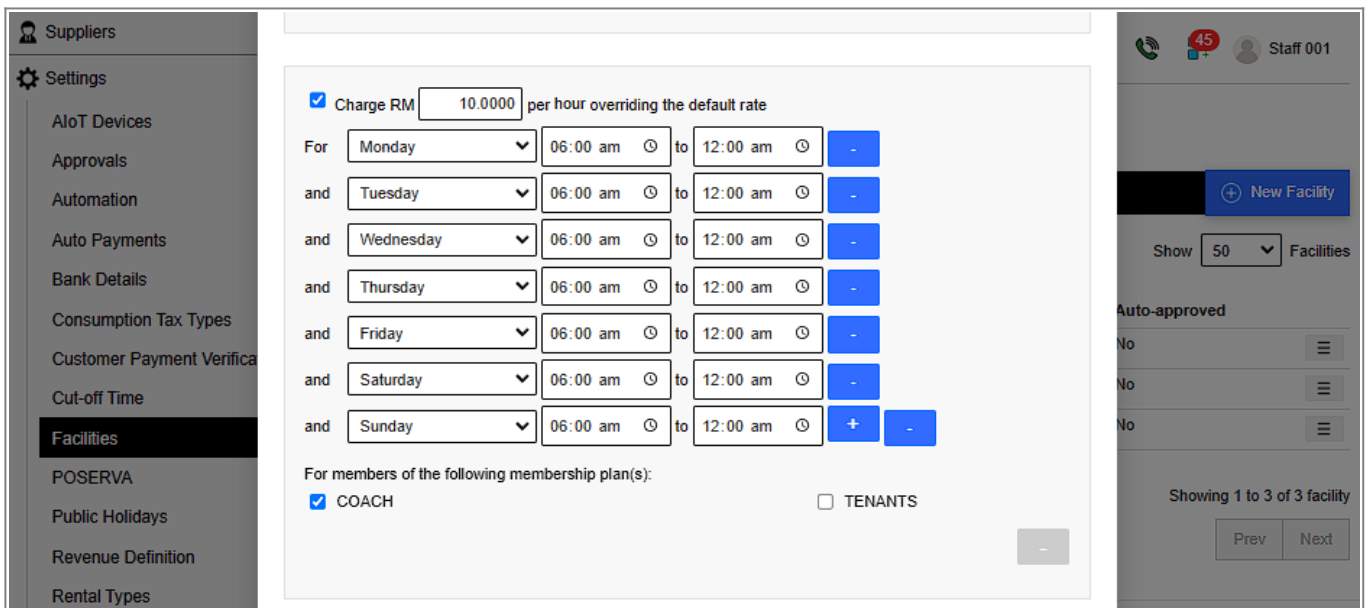

- Limit to one time use only per 24 hour period for ticketing
- Limit usage to maximum of selected hours per facility for Facility Booking

## 2.2. Membership Special Rate

Go to **Settings > Facilities > Select facility previously added > Edit > Tick checkbox and fill in membership plan , timing and prices** , for facility to charge membership special rate

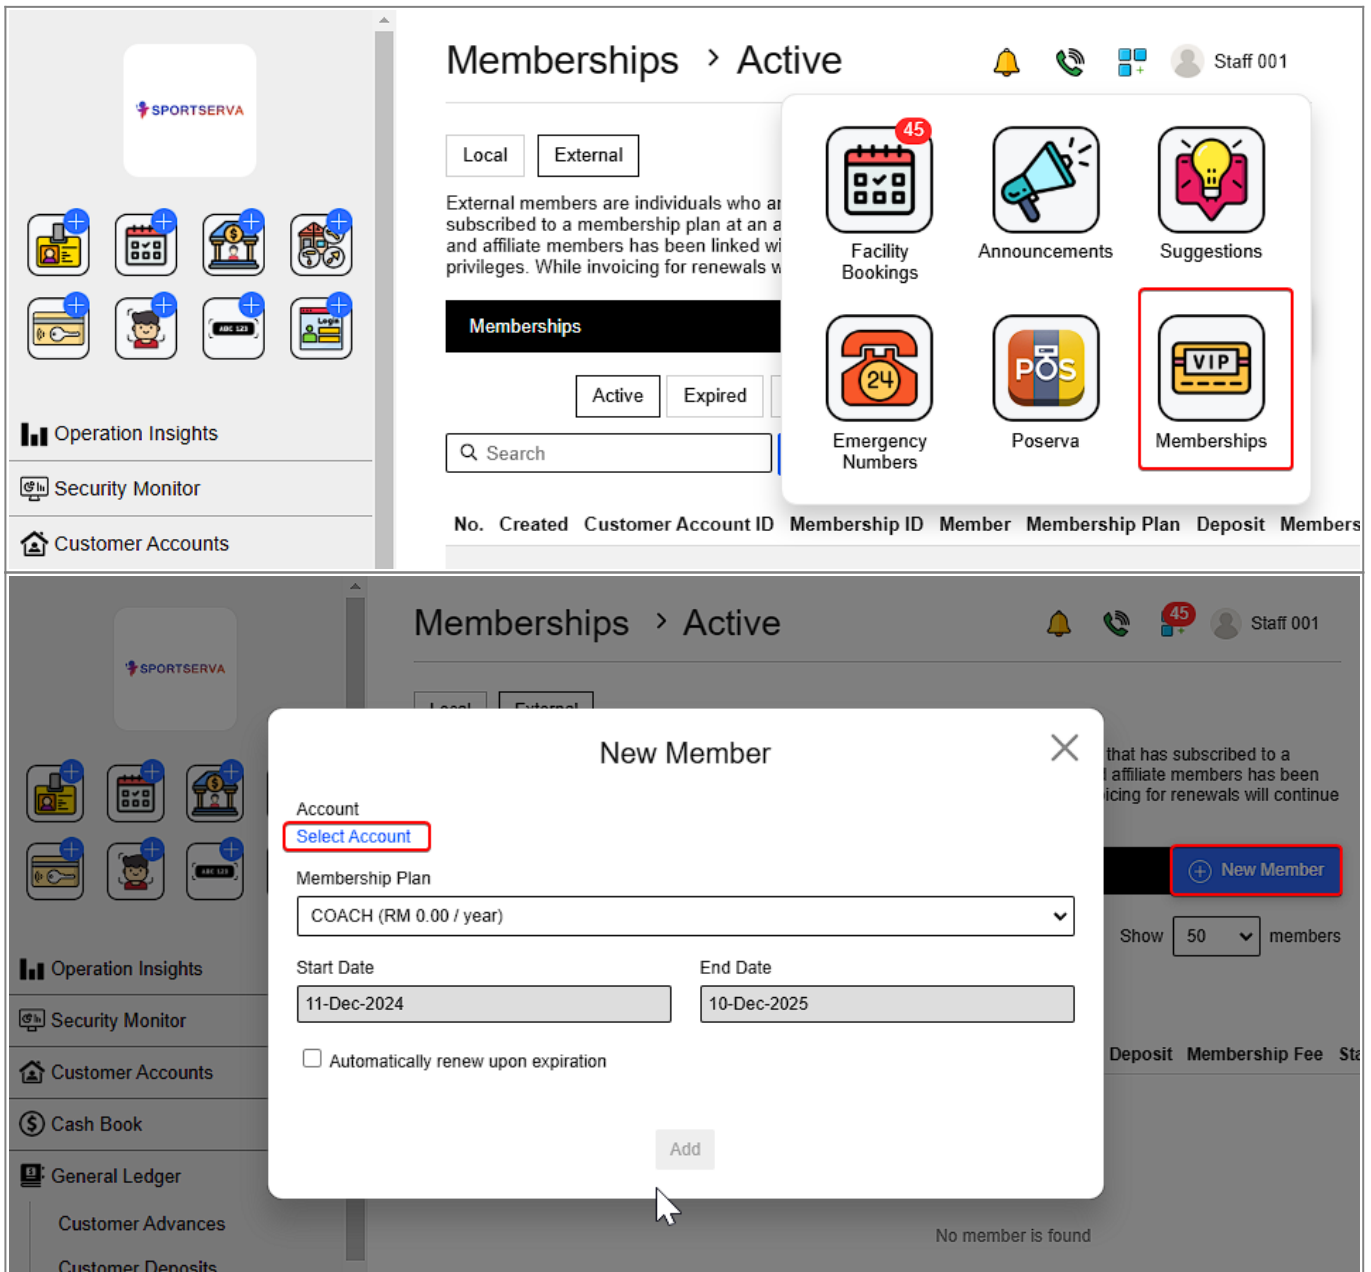

## Key Notes!

Add each day individually from Monday to Sunday to ensure maximum accuracy for system application, rather than grouping them as weekdays (Monday-Friday) and weekends (Saturday and Sunday).

### 2.3. Add customer As Members

Go to **More options > Memberships > New Member > Select account > Select membership plan > Select whether to automatically renew upon expiration > Add .**

### 2.4 Select an Account & Billing Information

**Existing Customer :** Can be search based on name , phone number or by catagory.

### Select A Customer Account ✕

TENANTS

Finally Add **billing information** , **Remarks** and click **add** when finish to create account. After that ,

repeat the process of **Add customer as members** to finalize add customers to membership.

The screenshot shows a 'Billing Information' form within a software application. The form is titled 'Billing Information' and has three radio button options for 'Bill To': 'Primary Contact As Per Above' (selected), 'Another Individual', and 'Another Business'. The form contains the following fields:

- Customer Full Legal Name
- Mobile Phone No. (with a dropdown for country code, currently showing '+60')
- Billing Address Line 1
- Billing Address Line 2
- Billing Address Line 3
- Postal Code
- City/Town/Suburb/District
- State/Province/Region
- Country (pre-filled with 'Malaysia')
- Email Address
- Tax Identification Number (TIN)
- Remark (a large text area)

An 'Add' button is located at the bottom center of the form. The background shows a sidebar menu with items like 'Operation Insights', 'Security Monitor', 'Customer Account', 'Cash Book', 'General Ledger', 'Properties', 'Suppliers', 'Settings', and 'Consumption Tax Types'.

### 3. Membership Module Key Features

#### 1. Timing & Pricing:

- Flexible options to set timing and pricing for memberships.

Example:

- Members : RM10 ( Monday to Friday ) ( 6am to 11:55pm)
- Non-member: RM15 ( Monday to Friday ) ( 6am to 6pm)

#### 2. Booking Limits for Members and Non-Members:

- Limit maximum booking hours for both member and non-member separately.

Example:

- Members : 3 hour booking limit per session

- Non-member: 1 hour booking limit per session

### 3. Sub-User Management:

- Ability to add sub user to the principle account
- Example: A family can have one main principle account for the parents and multiple sub-accounts for their family members.

### 4. Customizable Booking Durations:

- Separate booking duration settings for members and non-members.

Example:

- Members : Can book up to 60 days in advance.
- Non-members : Can book up to 30 days in advance.

## QnA

How to see/find customer past membership details

In the case where customer membership is lost , the membership might be Expired ,Suspended or Deactivated.

Go to Memberships > Expired

The screenshot shows the HOMSERVA system interface. The main content area is titled 'Memberships > Expired'. It features a sidebar on the left with various icons and a main content area on the right. The main content area includes a search bar, a 'Search' button, and a table of expired memberships. The table has columns for 'No.', 'Created', 'Customer Account ID', 'Membership ID', 'Member', 'Membership Plan', 'Deposit', and 'Membership Fee'. A single row is visible, showing a membership created on 30-Oct-2024 for a customer with ID PLZ-318 Business, membership ID PLZ-GMF-2-1, member name Au Sek Ho, membership plan Golf Membership Family (RM2400), a deposit of RM 0.00, and a membership fee of RM 2592.00.

No.	Created	Customer Account ID	Membership ID	Member	Membership Plan	Deposit	Membership Fee
1	30-Oct-2024	PLZ-318 Business	PLZ-GMF-2-1	Au Sek Ho	Golf Membership Family (RM2400)	RM 0.00 ✓	RM 2592.00 ✓

Go to Memberships > Suspended

Suspended membership can be unsususpended by clicking more options > Unsuspend
