

Projects

1. Introduction

This guide provides step-by-step instructions on recording, sorting, and managing projects associated with each management body. Learn how to organize projects under the appropriate management structure, monitor their progress, and analyze their outcomes to support strategic objectives.

2. Projects

This section offers an in-depth overview of the tools and features available for linking and managing projects under specific management bodies. From planning resources to maintaining accurate records of project milestones and responsibilities, each feature is designed to improve efficiency and ensure accountability within the organizational framework.

Project Address
Jalan Koperasi 5
Taman Ipoh Impian,
31400 Ipoh
Perak Malaysia

Description
With Italian nuances applied to the overall concept, Palazzo is a low-density condominium development with only eight units per floor designed to cater to family living. Designed with safety and security, a myriad of modern family-oriented facilities and community amenities are specially curated with the modern family unit in mind.

Coordinate
4.62393889, 101.13608841
