The screenshot shows a 'New Unit' form in a software application. The form is titled 'New Unit' and is overlaid on a background showing a 'Properties > Units' page. The form is divided into several sections:

- Property Parameters:** Includes dropdown menus for 'Block' and 'Level' (both set to '-- None --'), text input fields for 'Property No.' and 'Share Unit', and a numeric input field for 'Number of Bathrooms' (set to 0). There is also a 'Size (ft²)' input field.
- Parking Lot:** Contains two checkboxes: 'Non-Reserved Parking Lots' and 'Reserved Parking Lots', both of which are currently unchecked.
- Bedrooms:** Features a 'Bedroom Name/Label' input field with a hint 'eg. Master, Medium, Small, Double, Single'. Below it is a 'Size (ft²)' input field and a 'Bathroom' section with three radio button options: 'Private Bathroom', 'Shared Bathroom', and 'None (Common Bathroom)'. An 'Add' button is located at the bottom of this section.
- The Floor(s) Where This Property Is Situated:** Includes a 'Lift Controller 1' section with four checkboxes labeled '1', '2', '3', and '4', all of which are unchecked.
- Default SuperPASS-Door Settings for Main and Sub User Accounts:** Contains a section for 'VYROX Bangsar South' with two checkboxes: 'Office IN' and 'Warehouse IN', both unchecked. Below this is a 'Test' field.
