It think just yesterday that the Obama administration and the liberal wing of congress was singing from the tree tops at how much the healthcare bill would save and everything the while providing us better care and insuring more U . s citizens. Wouldn't it be great to have a very simplistic path and almost by magic insure all the nations uninsured and provide a lower price healthcare all while not cutting any services and giving everyone a better quality of healthcare? Does this sound too good to be true? Not in the minds from the elitist liberals that populate the administration and congress. This is just another case of liberal fairy tales. The common sense majority is aware that "if appear too good to be true then".well you have in mind the rest.
