

Card Access

Introduction

This guide provides a step-by-step process for applying an access card. Learn how to request a new card to ensure secure and convenient access to facilities.

Step 1: Card Access

Click **“Card Access”** icon

Step 2: Create New Cards

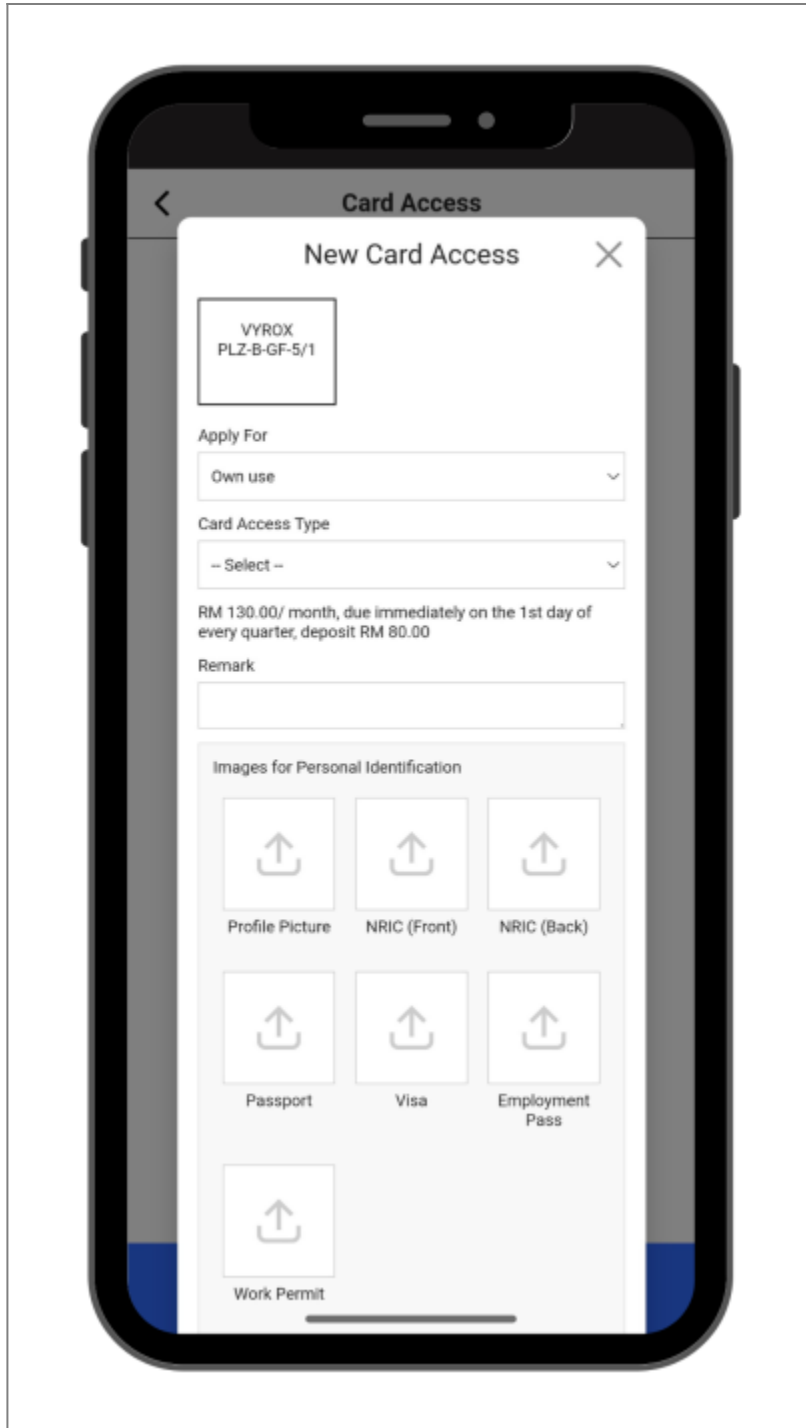

Click **“New Card”** to make a new card.

Step 3: Fill in Card details

Select Apply for, Card Access Type, Remark, and include Pictures of Profile Picture , NRIC , and Relevant documents.

Click **“Add”** to create.

Step 4: Wait for Management Approval

Management will need to approve access.

Step 5: Check New Created Access Status

New created access will be listed in this page.
