

User Guide: Integrated Smart Access

Introduction

This guide explains how to apply for Integrated Smart Access, helping you activate your credentials for seamless facility entry. Powered by VYROX AIoT, Integrated Smart Access combines card access, virtual smart cards, facial recognition, QR codes, and more. Seamlessly managed via an intuitive app, it ensures secure and flexible access to lifts, doors, and gates, tailored for both users and administrators.

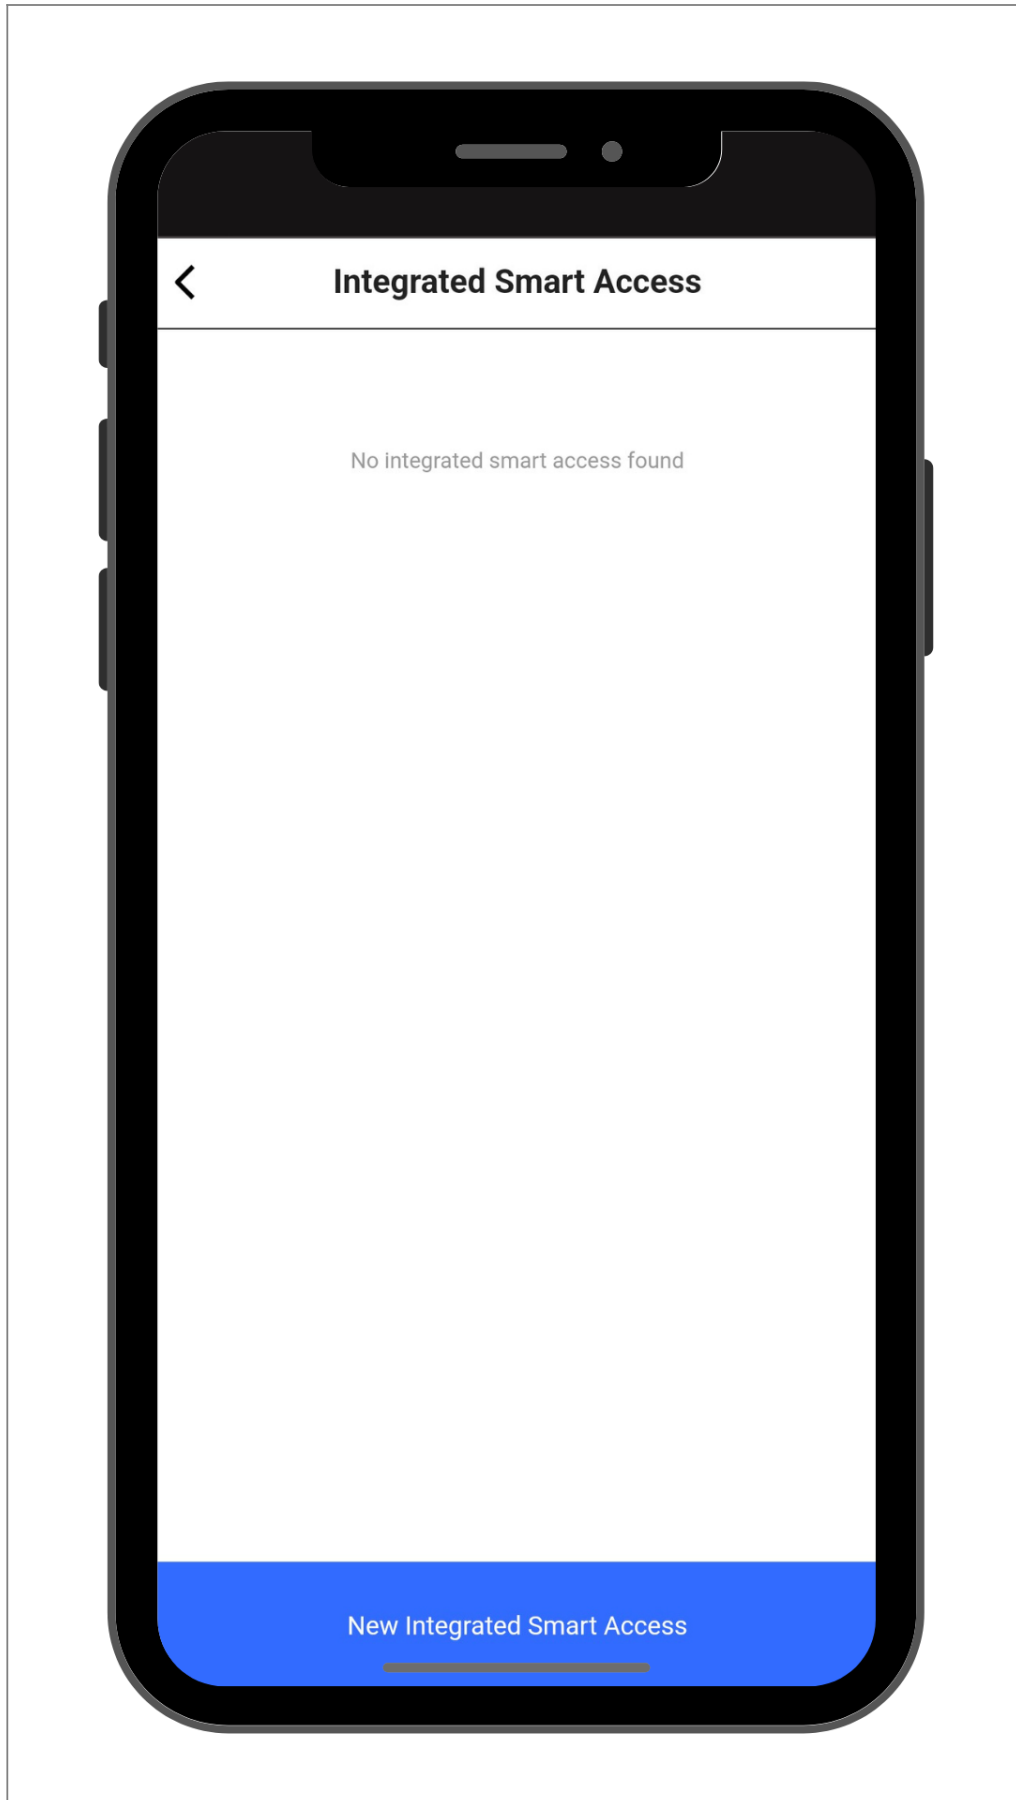

Step 1: Complaints

Click **“Integrated Smart Access”** icon

Step 2: Create New Complaints

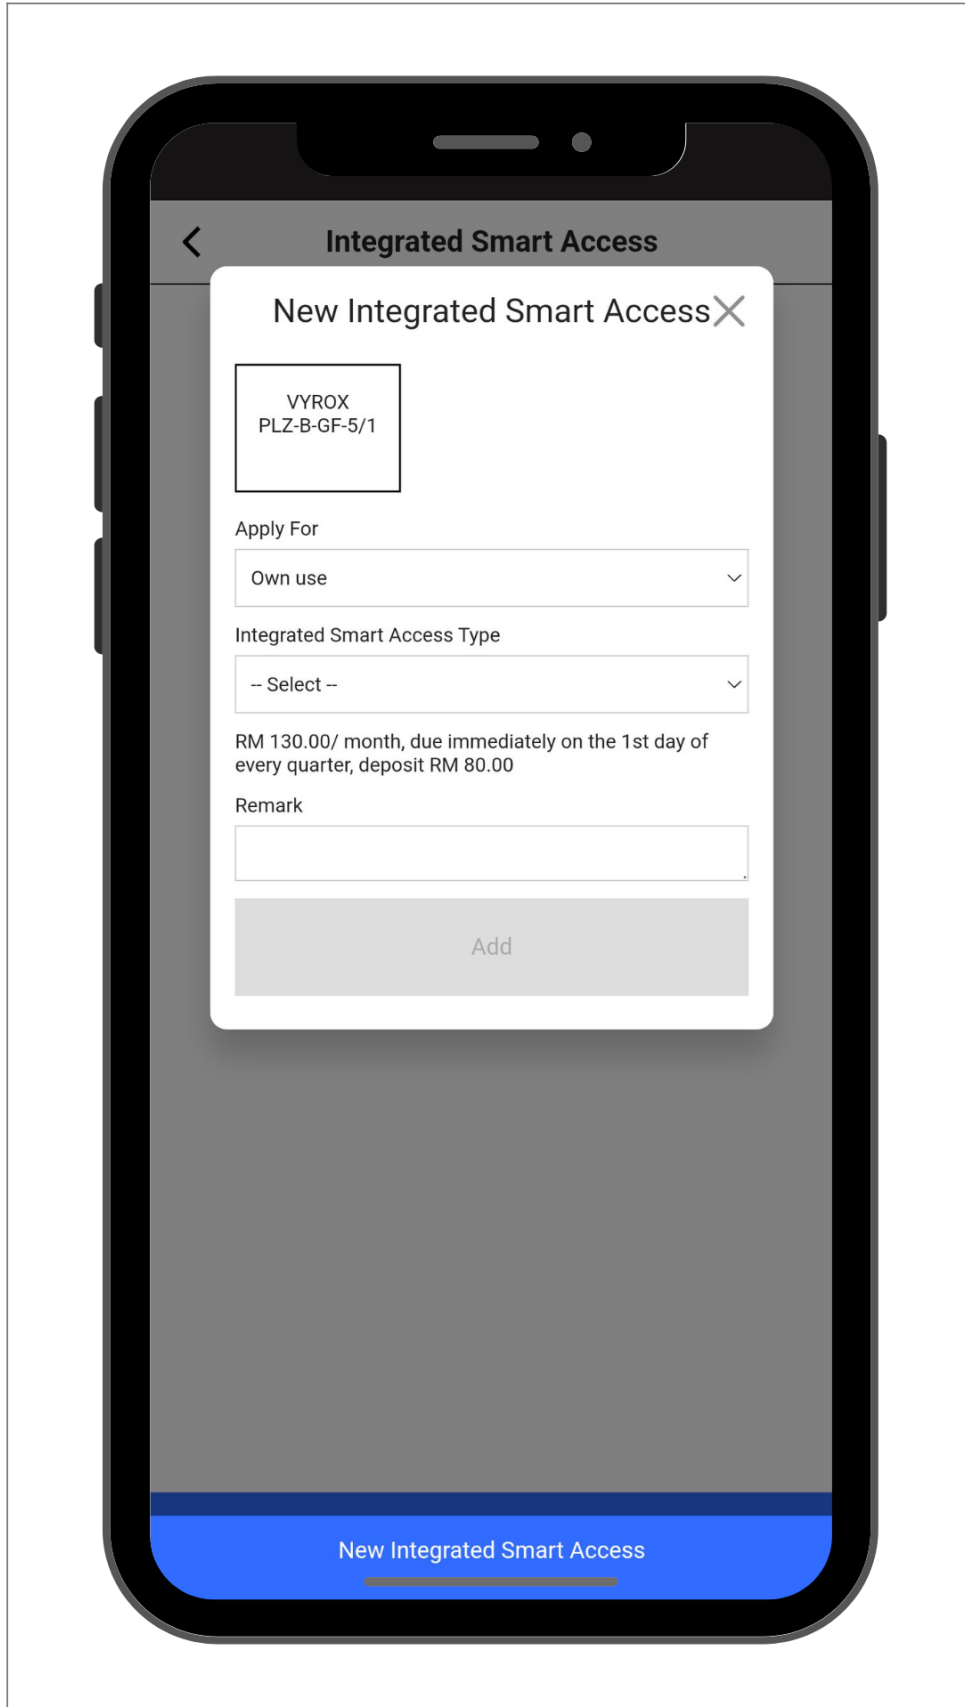

Click **“New Integrated Smart Access”** to make a new Integrated Smart Access.

Step 3: Fill in Complaint details

Select Integrated Smart Access Type and Remarks.

Click **“Add”** to create.
